## Electronic Funds Transfer: Yezelalem Minch

Electronic funds transfer is a service in which your donations are withdrawn electronically from the financial institution of your choice. The funds will be debited from your account on the 10th or 25th of the month. We will continue to provide you with information and a receipt will be sent to you with every electronic donation. You will see the debit amount and date reflected on your next bank statement.

There is no cost for you to use this service and all payment information is strictly confidential. Please complete and sign the form below authorizing HIM to automatically debit your personal checking or savings account for donations. The information will then be transmitted to your financial institution for withdrawal from your account. Because virtually all financial institutions participate in the direct debit program, there should be no need to alter your current banking arrangement. Your contribution can be stopped at any time by writing: Helps International Ministries, 573 Fairview Road, Asheville, NC 28803.
